Juan Manuel Gelay

UX & Product Design Manager

I have spent an incredible decade dedicated to creating and transforming products that enhance people's lives.
As a UX & Product Design Manager, I am passionate about deeply understanding and then solving real user and business problems with my team and AI tools.

EDUCATION

2020 **Bachelor of Science in Videogames Programming - 90%**
Universidad Nacional de Hurlingham (Jan 2020 - present)

2019 **UX Design Career - Completed**
Educacion IT (Mar 2017 - Nov 2019)

2016 **Bachelor of Business Administration - Completed**
Universidad Nacional de La Matanza (Jun 2008 - Mar 2016)

WORK EXPERIENCE

2023 **Auronix**
UX & Product Design Manager (Mar 2023 - Present)
auronix.com
Together with other people, I have the challenges of: creating the Auronix Design System, generating the financial and retail conversation product; and empower the Product Design team.

2022 **Wenance**
UX Manager (Jan 2022 - Mar 2023)
wenance.com
I made from scratch the Design System for 5 countries and +8 brands, at the same time hiring and mentoring designers and researchers.

2020 **IntermediaIT**
UX & Product Lead (Jan 2020 - Jan 2022)
intermediait.com
I started as a Senior UX/UI designer and I won the Kuspit fintech project in Mexico. I designed this product for Android, iOS native apps, web app and website. I created the UX team from scratch for that and other projects.

2020 **Coderhouse**
UX Professor (Jan 2020 - Present)
coderhouse.com.ar
On weekends I teach UX & Product skills. I am the content creator for UX courses. I have an NPS = 98% in my classes.

2017 **Supervielle Bank**
Senior Product Designer (Jan 2017 - Jan 2020)
supervielle.com.ar
I led the redesign of the platform for B2B online banking. With my team, we generated the design system and the design process for the entire bank and we shared it with all of the product areas.
